

Digital Publication Series

...Best publishing packages you can trust

Are you a writer with a load of manuscripts?

The good news is book publishing has been made easier and cheaper with the evolution of digital publication provided by **ACEworld** under her Book Publishing arm **RMF Publishers**, handy books on smart phones, tablets and PCs readily available to readers anywhere and anytime in the world with easy access.

And now, it's beyond being an offering, with online bookstores like *Okadabooks*, *Booklify*, *Kobobooks* & *Amazon* where you can get your books for sale, drive readers and achieve your authorship dreams effortlessly.

This is why we besiege you to take the first step at achieving this great feat: go through our publishing packages and pick the one that suit your preference and pocket. Now the best part is that at **RMF Publishers**, we are always open to negotiation.
